

Amendments to the Specification

The disclosure was objected to due to informalities. The amendments to the specification recited below address and eliminate these informalities.

Please replace the paragraph that begins on line 13 of page 16, with the following amended paragraph:

Illustrated in FIG. 9 is a block diagram illustrating an example program 151 of the original source code 22 that is translated and includes the code block frequency counter incrementing instructions/code in the translated code 152.
